This note is regarding Pre-General '06, FEC ID# 259525

The request for information letter dated December 20, 2006, itemizes the following topics:

1. The totals in Column B of the Summary and Detailed Summary Pages appear to be incorrect. You should add the "Calendar Year-to-Date" total from the previous report to the current totals.

--This discrepancy has been corrected by using the Y-T-D totals from the amended previous report (October Monthly 9-1-06 to 9-30-06). The totals in Column B should now be consistent.

2. Schedule B supporting Line 21(b) discloses payments for "FEA Payroll." Payments for FEA salaries and wages should be properly disclosed on Line 30(b).

--This discrepancy has been corrected by filing amendment FEC-270443. The FEA Payroll is now disclosed on the proper line.

THANKS!!
